TERMS OF REFERENCE

Background:
Consumer participation is a key priority across national and international jurisdictions to enable the development and implementation of effective mental health policy and programs, and to continuously improve all aspects of mental health services, including staff and management accountability and access and quality.

Consumer participation in the development, delivery and evaluation of mental health services is endorsed by national and state policies, including the National Mental Health Strategy, NSW Mental Health Strategic Plan and the policies and documents that underpin it.

The Consumer Subcommittee was established in 2009 and is jointly chaired by the Chief Executive Officer of Being (the Peak Consumer Organisation), and the Executive Director, Mental Health Branch, NSW Ministry of Health.

Purpose
To provide advice to the NSW Mental Health Program Council and the NSW Ministry of Health on policy, planning and strategic issues relating to mental health consumers in NSW public mental health services with the following aims:

- to improve service delivery; service quality and service access for mental health consumers in NSW public mental health services.
- to ensure that mental health consumer concerns and voice are given appropriate priority in accordance with Government objectives.
- to facilitate promotion and prevention initiatives to increase awareness and understanding of and ability to respond to mental illness amongst the broader community, service providers and carers and consumers.

Activities
The Consumer Sub Committee is to:

- Develop an annual work plan identifying key strategic priorities to progress for each year
- Advise the Mental Health Program Council on the appropriate mechanisms to obtain consumer input for the development, implementation and review of policies and programs – on a case by case basis.
- Nominate expert consumer advisers to participate in time limited working groups, workshops and consultations to develop and review policies and programs as required.
- Provide comment on policies and procedures that go before the Mental Health Program Council to ensure that the interests of consumers are adequately and appropriately reflected;
- Provide advice to the Mental Health Program Council and the NSW Ministry of Health on issues of concern to mental health consumers.

Governance:
Chair: The Executive Director of Mental Branch, NSW Ministry of Health or delegate and the Chief Executive Officer of Being or delegate will co-chair the Consumer Sub-Committee.

Secretariat: Secretariat support to the Consumer Sub-Committee will be provided by the Strategic Commissioning Team, Mental Health Branch, NSW Ministry of Health. This support will include:

- Developing the agenda in consultation with the Chair
